Understanding Corruption Perceptions in Nigeria

Welcome to Our Survey on Corruption Perceptions in Nigeria!

Thank you for taking the time to participate in this important survey. Your responses will help us better understand how Nigerians from diverse backgrounds perceive corruption and what strategies can be most effective in combating it.

- **Purpose**: This survey is part of a research initiative aimed at understanding how demographic factors influence perceptions of corruption in Nigeria. The findings will contribute to designing more impactful anti-corruption campaigns and policies.
- **Confidentiality**: Your responses will remain completely anonymous. No personally identifiable information will be collected.
- **Time Commitment**: The survey will take approximately 10–15 minutes to complete.
- **Consent**: By proceeding, you agree to participate voluntarily and acknowledge that you can withdraw at any time without any consequences.
